To Whom It May Concern:

I am pleased write a recommendation for John Sloan. John was a student in my *Organizational Behavior* class and *Marketing Strategy* class.

John is a dedicated and thoughtful student. His strong work ethic was evident in the course assignments and presentations. He made meaningful contributions to the in-class discussions and led several group projects. He was an effective leader on a term-long project for a local nonprofit organization, which included discussions with and a presentation to the director and the board members. His insightful and relevant comments contributed to student learning. In addition he worked well with other students.

Keeping in contact with John throughout the year, I know that he continues to work hard to reach his goals. I strongly believe John Sloan exhibits the qualities to make a valuable contribution to your organization. Please contact me yangj@wou.edu or 503-838-8799 if I can provide any additional information.

Sincerely,
